

Silvia's Gymnastics 14th Annual Exhibition

Dear Gymnasts and Parents,

Our 14th annual exhibition is scheduled for Saturday, June 16, 2018. All recreational levels are invited to participate. Each class will be able to demonstrate the skills they have acquired this year. Participation is optional. The cost to participate is \$60 (which includes a leotard for your daughter or a shirt for your son as well as two tickets to the exhibition.) Your daughter/son also receives a trophy at the exhibition with her/his name engraved on it. Additional tickets may be purchased the day of the exhibition for just \$5. We try to keep the cost as low as possible so many can attend. This is an excellent event for the gymnasts to show their skills to their entire family, including grandparents. All classes as well as Silvia's Gymnastics Competitive Team will participate.

We have 2 times for the shows. The first one will be from 12:00-2:00 pm and the second show will be from 4:00-6:00 pm. You can request which show you want your gymnast to perform in if you have another commitment that day. Exceptions are those who are in the Juniors, Tots, and Boys classes. There will be only 1 group for these classes so there is not a choice in time. **Please only request the time if absolutely necessary.** This makes it easier for us to keep the kids who come to class together in the same session. If you request a time, your daughter/son may be in a different session than the other children in their normal class and he/she may not see all their friends.

The recreational gymnasts will perform for most of the show. We will also have some routines and entertaining dance/gymnastics shows performed by our team girls.

The gymnasts will **not** have to "memorize" routines. They will perform the skills they are learning during their classes. It also doesn't matter if they just joined recently or have been here for a longer time. We have our coaches helping during the show so they'll have plenty of help with coaching and necessary spotting.

We will be selling food and drink in our party room as well.

We keep our show as inexpensive as possible. For just \$60, your child receives a leotard (or shirt), trophy (name engraved), 2 free tickets and the chance to perform gymnastics in front of a supportive crowd and their family! It is also fun for relatives to see all levels of gymnastics

from 3&4 year-old tots classes all the way up to 18 year-old team members.

The schedule for the show will be published closer to the date. Please return the form below with your child's size and \$60 no later than May 11th so that we can make sure the leotards and shirts are here in time for the exhibition. We will have extra leos/shirts in case the size is incorrect.

Please return the form below
